The Game of LIFE

A Message from the Editor

Being the Yearbook editor this year is such an honor. There are so many things I wanted to do in the yearbook and I was so excited to get started. The 2006 yearbook theme is "The Game of Life." We picked this theme because it is said that the most fun times of your life are in high school and because what you do now will effect what happens to you later in life. In making this book, I wanted to right all the wrongs from past books and make this year's book the best, not just because I'm editor and also a senior, more importantly because I feel like everyone

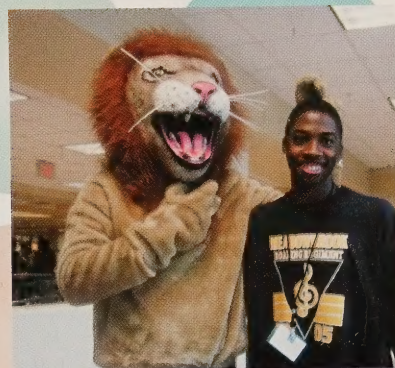

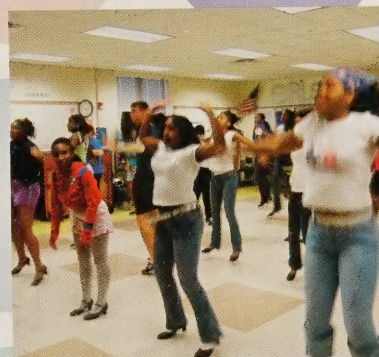

Nicole Crystal Ryan
Yearbook Editor
Class of 2006

is watching me and waiting to see if I'll succeed or fail. But I've come to realize that even if I think this year's book is the best in the world, I won't be able to please everybody. Somebody is always going to be jealous of your accomplishments or disagree with what you do and that's life. We need to learn to deal with it and move on. Life is going to come at us hard and not with any guidelines for those who may get lost or confused. We need to step up to the plate and get in the game. "The Game of Life" represents the obstacles you endure day to day, and year by year (and believe me, there will be some). Our main concern should be making it to the end of the game the best way we can (cause everyone's is different) and enjoy ourselves while we're at it. Don't let anyone hold you back. Believe in yourself and everything you do.

This year's cover was not the first choice, but I think it's a great choice. The pictures on the cover are random pictures from throughout the school year. We knew that eight pictures on one book would probably not cover this year's interesting events. So in an attempt to get it all, we made five sets of covers with eight different pictures. This way we could have a variety of student and activity pictures on the covers displaying the different forms of Meadowbrook life.

WE'RE ALMOST THROUGH!

WHAT YA'LL DOING?

Sarah Sutterfield knits in her International Affairs class to send mittens and hats to the children in the Middle East. Right: Cary Kheav shows off her regularly fashionable style.

Whitley Thacker answered a survey question for the yearbook, but somehow it got lost! (Just kidding, that never happened).

Above: Kierra Kemp lets the wrong thing slip out. Below: Kierra Hurt, Mercedes Hawkins, and Carlisa Holden. They say they didn't plan this, but was it just a coincidence?

Above: Best friends--Taylor Hughes & Temple Bowser. Below: Justin Smith & Brittany Howlett attended a conference recognizing African Americans. Actress Daphne Reid was one of the honorees.

A Day in the Life of a Monarch Freshmen

A day in the life of freshmen
is like a balance or a scale
sometimes weighing more on either side
somedays weighing in as gray as gloomy skies
others are so light and fun filled that they barely tip the scale

A day in the life of a freshman
is like changing clothes
always fresh and varied in style
a day for a freshman is sometimes hard.
But friends help ease the daily stress

The class of '09 is a close-knit group.

If your friend's outfit did not match, what
would you tell her?

- A.) Girl, that outfit is not cute!
- B.) You look a hot mess!
- C.) Your outfit is off da chain (LOL)!!!!
- D.) No comment.

"B, you look a hot mess." -Tiffany

John Graves

Congratulations to John Graves, who received a full football scholarship to Virginia Tech!

Brandon Oliver

He has received a scholarship to William & Mary. Brandon was the starting linebacker for the Varsity team and he broke the school record for shot-put in track.

Kenneth Rubio

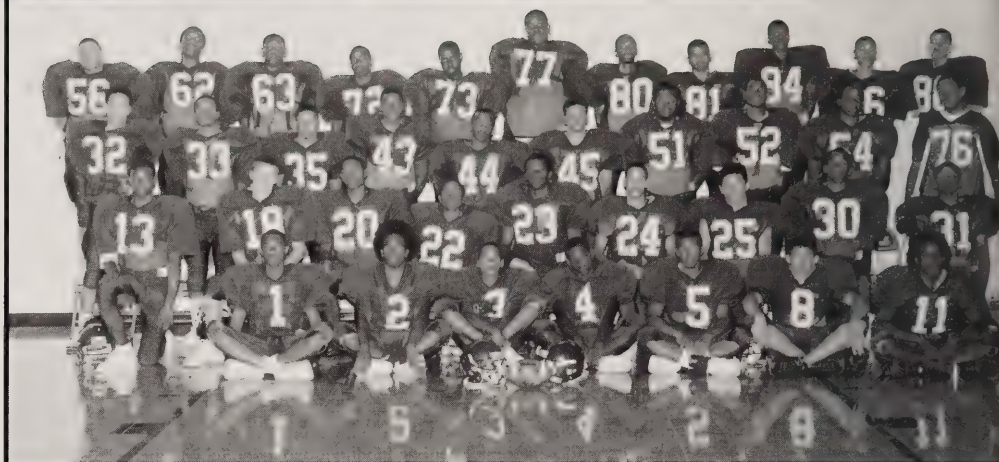

Even though Kenneth is not planning on going straight to college, he has dreams of becoming an architect. He was one of the senior linebackers on the team this season.

The 2005 Varsity Football Team came out roaring. Their attitude was: "We were State Champions once, we can be State Champions again." Week after week they proved themselves just that: "champions". At the end of the regular season, they had only lost one game. First up in the playoffs, Colonial Heights. No problem. Next, Highland Springs. No sweat. Then there was the Regional Playoff with L.C. Bird in our own backyard. At the end of regulation play, the score was tied. Into overtime they went with victory on their minds. In a heartbreaker, the Monarchs lost to the Skyhawks 23-20 but in our eyes, they still RULE!

Katlyn Gorman made second team all district!!

Holly Armstrong made first team all District. Good Job!!

The girl's volleyball team went through a lot of changes this year. We lost a player shortly into the season. So a JV player named Amber was moved up to fill her spot. The team worked very hard to win District. We beat a long time rival Thomas Dale for the first time in four years since this group of seniors had been playing. They went back and forth with another rival Prince George, but came out on top with the District win, and then to only beat them again for the District Tournament Title as well. This season was finished with a bang. Congratulations!!!

A Winning Season

How cool is it to go to the Times-Dispatch Invitational Tournament and win for a second year in a row? Ask any of the guys on the varsity team that made it possible. They make it look so easy! The MBK Men's Basketball team has had an outstanding season. Beating Bird twice was great! In addition to winning the Regionals, moving to States for the first time since 1994, was the best feeling ever. They became Central District Champions, Regional Champs and made it to the first round of the State semi-finals. Congrats to the team and Coach John B. Gordon !!!

They went on to play in the Regionals since they claimed the number one seed early on. Winning against Clover Hill in the first round by one point, they ended their season against Manchester with a record of 21-7. They played their best this year. Excellence job ladies. Good luck next season!

Monarch Academy

The Monarch Academy is in its third year here at MBK. This program has serviced over two hundred students by working with students who want to achieve personal and academic success. This year, students are required to do community service as part of their acceptance into the program. The role of the teachers is to be an advocate for their students and support learning in the content areas. Students are dedicated to self-improvement and all lessons serve to meet that goal. At the end of the first nine weeks, these students had an average grade point average of 2.3! The Monarch Academy teachers are Ms. Angelique Clarke ((Social Studies) , Mr. Bill Sharp (Earth Science) and Ms. Joanna Sharps (English).

There are a wide variety of college pamphlets to help the most indecisive students.

Mrs. Mary Bryant is retiring from MBK after 21 years of service. Many students may not be familiar with Mrs. Bryant, but she does an essential job for teachers. She completes the copying requests for the entire faculty (which can get really hectic at exam time!). We thank you, Mrs. Bryant for your years of service to MBK, including the all important job of getting subs for sick teachers.

Mr. Davis There is no way that we could repay you.

For the time you have dedicated,

**There is no gift we could give to you,
to let you know just how much it truly meant.**

Despite all of our complaints about

bicycles and 6 inches which we all struggle

to do, Mr Davis please know that we appreciate you.

You cheered, you screamed, you made us laugh, you

took the time to believe in us, you earned our

respect, friendship and trust. You knew what to say

to inspire and excite us. You shared all our glory and

praised all that was right, To defeat Meadowbrook

Stepping Monarchs would not be less than a fight.

You understood our frustration and even when our

spirits were quenched by defeat, You devotedly

pulled us back on our feet. You taught us confidence

and how to be strong, critiqued us when you knew

we were wrong. You allowed us play time when you

saw fit, but at the end of the day we knew

dedication was it. Our step performance has ended

this year and we are all aware of why we were here.

Mr. Davis if it were not for you, none of this would

be true. We extend, once again, an everlasting

Thank You!

Mrs. Scho

Shanice:

You have taken us on a wonderful journey from daycare to K-12. Your performance along the way has been nothing less than perfect in our eyes. We are so proud of you for being who you are, for making something of yourself and for making it this far. You have never let obstacles in life lead you astray. It is that strength that we admire today. We are not worried about you embracing your future. We just encourage you to stay true. As you stand on this mountain top taking in the view, remember what's ahead of you is all new. We are just so proud of you. You fill our hearts with love and our soul with pride. You are our only child and we are so blessed. It is so wonderful to have and see the very best in you.

From the beginning you have been a joyous child to know and watch grow. You are truly a pearl, a gem, God's gift to our world. We are very proud of you on this accomplishment and wish you continued success in the future. Continue to be the strong, sweet, beautiful young woman you are. That's the magic of your heart. Continue to fill it with "the light of day".

Sunrise... Sunset... Swiftly flow the years...
Where did this little girl go?
Grown and about to graduate!
Life continues its forward path...

We are so very proud of you!

We wish you all the best life has to offer.

Believe in yourself and in your
dreams,

Though impossible things may
seem.

Someday, somehow you'll get
through,

To the goal you have in your
view.

Mountains fall and seas divide,
Before the One who is on your
side.

Take a hard road day by day,
Sweeping obstacles away.

Believe in yourself and in your
plan
say not ~ I Cannot ~ but I
Can.

The prizes of life we fail to win,
because we doubt the power
within.

GRADUATION

Graduation is a time for feeling very proud.
For thinking lots of lovely thoughts
And saying them aloud.
It's a time for feeling love about to overflow
And just before it leaps its banks
To let the loved one know.
We are so very proud of you
For being who you are.
For making something of yourself
For making it this far.
We're proud because we are a part
Of everything you do.
This time's the time to say how much
Love we have for you.

Although these were not our words this poem by
Nicholas Gordon. Best expresses how proud we
are of you Tiffany!

Mom & Dad

Takerra Ellis

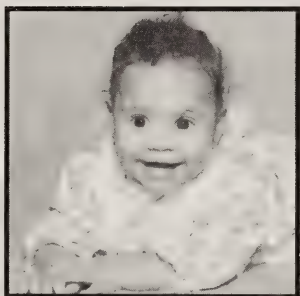

Takerra,

Wow! Graduation! Where did the years go? It feels as though it was only yesterday we were holding you and watching you take your first steps. Watching you get all dressed up for your "Father-Daughter" night out. You have been a wonderful role model for your brothers who have looked up to you through the years. Sweetheart, you have grown up to become a smart and beautiful young woman. Remember to always have belief in the Lord and great things are accomplished by talented people who believe they will accomplish them. You have made us so proud!

CONGRATULATIONS!

We love you always,

Mom and Dad

To Marty:

"The great players use adversity to make
 them mentally stronger by focusing on what
 they can change and do better. They use that
 mental strength to become better at what
 they so. They do it to prove to whatever or
 whomever the problem is; that they CANNOT
 be held down. You are a great player, but even
 so you are a GREAT PERSON".

May God bless you always.

On February 3, 2006, the American Heart Association asked women, in particular, to wear red to raise awareness of heart disease in women. Mrs. Judy Lee, our school nurse, asked the faculty and staff to participate. This picture represents most of the 80%-90% of the faculty who participated. Outstanding!

Wearing of the RED

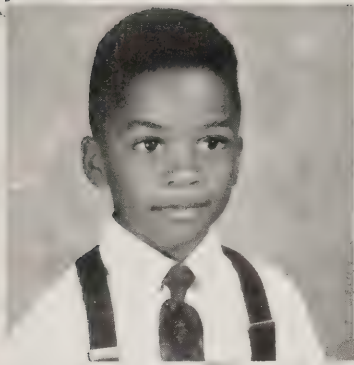

To the Class of 2005-2006!
May you embark upon your travels prepared for great (and terrible) encounters of the best kind... And may you find wisdom, joy, peace, and love.

Speaking of hearts! Valentine's Day at MBK is a heart and helium filled day! This is the collection that floated in the front office for the day...

Royce Moody

Dear Royce,

Wow! Oh my God, it seems like only yesterday we were teaching you how to tie your shoestrings. Today, you are a Man, one of our greatest gifts. We are so very proud of you. We watched you through little league, marching band, and track.

You grew so much that you were blessed to be Drum Major your Senior year. Royce you are such a joy and we love you so much. We pray that you continue to make smart choices as you go off to college. When you journey away from home remember your favorite scripture.

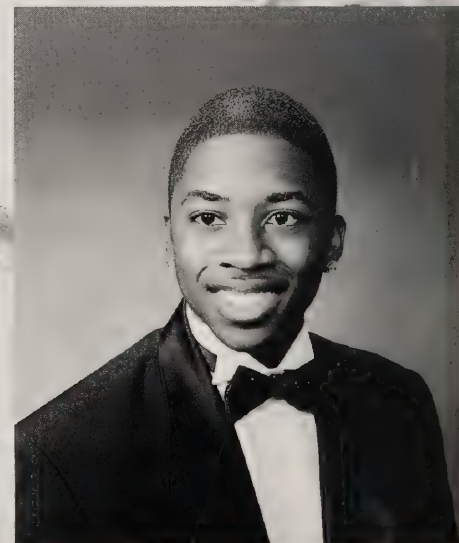

Phil. 4:13 "You can do all things through Christ who strengthens You." Always know that we have your back and we will always love you. Continue to make us proud.
